CAMINHA AFRICA

HELLO, BROTHERS
AND SISTERS, GRACE
AND PEACE!

This report is filled with mixed feelings. First of all, the Vieira family praises God and is deeply grateful for the lives of each of you. We always feel welcomed and certain that we are not alone in our endeavors for the gospel.

PRAYERS

- 1. We ask for prayers for our health; we believe we faced many emotions during the month of August. Please also pray for our sustenance, for the provision of our Jehovah Jireh, so that we can continue working here in the work of the Lord, who cares for His own.**
- 2. We ask that you continue to pray for the life and sustenance of Pastor Enio and his family. The week we arrived, I discovered that they were in need of many things, including food. It's difficult even for us to help them further, and the country's economic situation is very dire. However, we rejoice and remain confident in seeing a man of unwavering faith.**
- 3. We ask that you pray for a renovation we need to carry out at the church to improve the facilities. We need to remove a wall that will expand the worship room, we need to fix the leaking ceiling, and we need to rehabilitate a room where we will build the pastoral office and also the children's classrooms.**

FAMILY

Thank God, we were able to return to Africa on August 13th. After a long journey in Brazil, due to João Lucas's health, the Almighty Lord blessed us by allowing us to return to Mozambique. Many brothers and sisters helped us on this return, for which we are very grateful. Unfortunately, I had to return to Brazil unexpectedly, 15 days after arriving home, because my beloved mother had a heart attack and succumbed. God took her home on her birthday, the day she turned 67, and she met the face of the Lord. It was very difficult to come to Brazil to bury my mother, but we are comforted and happy, for we are certain that she is in Christ, our Lord (John 11:25). It was wonderful to have had the opportunity to preach at my mother's wake. I was able to proclaim the gospel to many people and friends of over 30 years of friendship who heard the gospel. I believe we must always preach everywhere (2 Timothy 4:2; Acts 18:9-10). In future reports, we will write more about my mother and how she influenced many.

CHURCH

We arrived at the church in Mozambique and found it in excellent condition, to the glory of God. Despite many tribulations, I believe the Triune God extended grace so that everything could move forward under the pastoral care of Enio Mabombo. We held a Vacation Bible School on August 28th, 29th, and 30th, where we reached 210 children. It was wonderful to see these poor and humble children close their eyes and learn about Jehovah Jireh, the Provider God. By the grace of Christ, all projects are moving forward. God is being proclaimed here in this city.

May the love and grace of the Triune God continue to be multiplied in your lives.
